

WHAT IS WORKERS' COMPENSATION?

Workers' compensation is an accident insurance program paid by your employer which may provide you with medical, rehabilitation and income benefits if you are injured on the job. These benefits are provided to help you return to work. It also provides benefits to your dependents if you die as a result of a job-related injury.

HOW LONG DO I HAVE TO WORK TO BE COVERED UNDER WORKERS' COMPENSATION?

You are covered from the first day on your job.

HOW DO I KNOW IF THE COMPANY I WORK FOR IS COVERED BY WORKERS' COMPENSATION?

The law requires any business with three or more workers, including regular part-time workers, to have workers' compensation insurance. Coverage can be verified by going to www.sbwc.georgia.gov and in the Popular Topics box click on "verify workers' compensation insurance coverage".

WHEN SHOULD I REPORT AN ACCIDENT THAT HAPPENED ON THE JOB?

You should report any accident occurring on the job to your employer (boss, foreman, or supervisor) immediately. If you wait longer than 30 days, you may lose your benefits.

WHAT DO I DO ABOUT A DOCTOR?

Your employer is required to post information identifying medical care providers. Your employer may satisfy this requirement in one of the following ways:

1. Post a Traditional Panel of Physicians consisting of a minimum of six doctors. You may choose any one of the six. However, the Board may grant exceptions to the required size of the panel where it is demonstrated that six physicians or groups of physicians are not reasonably accessible. The panel must include one orthopedic physician and not more than two industrial clinics. Where possible a minority physician must be included. You may make one

change to another doctor on the list without the permission of your employer.

2. Post the name of the Workers' Compensation Managed Care Organization (WC/MCO) certified by the Board which your employer has contracted with to provide medical services. Your employer must give you a notice of the eligible medical service providers and post a 24-hour toll-free number for the managed care organization. A managed care representative will assist you in scheduling an appointment with the eligible medical provider of your choice. You may make one change to another eligible physician at any time, without the permission of your employer.

WHO PAYS FOR THE DOCTOR?

Your company's workers' compensation insurance carrier will pay for your authorized medical treatment if the treatment was for an on-the-job injury.

WHAT MEDICAL TREATMENT WILL BE PAID?

All authorized doctor bills, hospital bills, physical therapy, prescriptions, and necessary travel expenses if the injury or illness was caused by an accident on the job. You may also be entitled to medical and vocational rehabilitation. If your injury is catastrophic in nature, you may be entitled to lifetime medical benefits.

WHEN DO I GET MY BENEFITS?

You are entitled to weekly income benefits if you are unable to work for more than 7 days. Your first check should be mailed to you within 21 days after the first day you missed work. If you miss more than 21 consecutive days, you will be paid for the first week.

HOW MUCH WILL MY WEEKLY BENEFITS BE?

You will receive two-thirds of your average weekly wage, but not more than \$725.00 per week for an accident which occurred on or after July 1, 2022.

WHAT IF I AM ABLE TO RETURN TO WORK BUT CAN ONLY GET A LOWER PAYING JOB AS A RESULT OF MY INJURY?

You will receive a reduced benefit based upon your earnings for a maximum of 350 weeks from the date of injury. This benefit will not exceed \$483.00 per week if your accident occurred on or after July 1, 2022.

HOW LONG WILL I RECEIVE WEEKLY BENEFITS?

If your accident occurred on or after July 1, 1992, you are entitled to benefits for up to 400 weeks. If your injury is catastrophic in nature, you may be entitled to lifetime benefits. In certain circumstances, your benefits may be reduced after you have been released to return to work with limitations or restrictions or suspended if you are released to return to work with no limitations or restrictions.

HOW LONG WILL I RECEIVE MEDICAL BENEFITS?

If your accident occurred on or after July 1, 2013, you are entitled to medical treatment for up to 400 weeks. All injuries occurring on or before June 30, 2013, shall be entitled to lifetime medical benefits. If your injury is catastrophic in nature, you may be entitled to lifetime medical benefits.

Your dependents are your surviving spouse, children, or dependent stepchildren. A widowed spouse with no children is limited to a total amount of \$290,000.00 unless he or she remarries or cohabitates in a meretricious relationship.
